

Red Fire Farm Stand Membership Program:

If you want to eat local, organic, fresh and great tasting produce grown by Red Fire Farm, but the normal CSA program does not work for you, this program will.

How it works:

Purchase a farm stand membership for \$300. This will entitle you to \$330 in credit at the Red Fire Farm Granby or Montague Stands or at our Farmers Market stalls. Additional credit can be purchased at \$90 for \$100 credit. You can then stop at the stands any day (the stands are open seven days per week from 9 AM – dusk) and select produce as well as other locally produced items such as bread, pickles, honey, maple syrup or any of the other items that we sell at the stand. Each time you select items, the value will be subtracted from your account.

Farm Stand Membership Benefits:

-New this year: Farm stand members can use their credit at any Red Fire Farm retail location including: **Old Depot Gardens Farm Stand in Montague Center, The Granby Farm Stand,** and either of our **Farmers Market Booths (Springfield in Forest Park and Boston South Station.)**

-You can select exactly the produce you need when you need it.

-Credit can be used for all products sold at the farm stands, not just produce.

-You can stop any day, no worrying about vacations or showing up at our designated CSA pick up time.

-Membership entitles you to Pick Your Own privileges for the farms strawberry, pea, bean, cherry tomato, hot pepper, ground cherry, cut flowers, and other crops. Pick your own prices will be approximately half of what the item would cost pre picked at the stand. Cutting privileges in the herb and cut flower patches will be free with membership.

-The farm's newsletter, The Red Fire Reader (full of recipes, farm news, and sustainable agriculture information), will be e-mailed to your home every other week.

-Free admission to our famous Tomato Festival. Other events such as Feasts in the Field available at the discounted farm member price.

Sign up by filling out this form and mailing it to the address below. Please include full payment of \$300 to receive credit for \$330. Please note, no more than two people living in the same household can share a farm stand membership.
