## FLOWER SHARES

Enjoy a season of fresh local flowers! **Organically-grown.** No need for distant-grown flowers produced with chemicals toxic to the environment and workers! Clean and vibrant blooms grow here! Flower shares include a weekly bouquet of flowers picked fresh on our farm and delivered along with your produce share. Your ten weeks of flowers will begin in mid-July and go through mid-September.

We're growing a gorgeous field of snapdragons, many types of sunflowers, zinnias, gladiolas, cosmos, lisianthus, ornamental grasses, celosia and many others. Available at all Red Fire Farm distribution locations except Montague. Flower shares cost \$100 for the season. We also offer our flowers for events either arranged or in buckets for DIY!

## FRESH LOCAL FRUIT SHARES

**A deluxe option of local fruit.** Each week for twenty weeks, from our farm and partners in our area, we source a unit of fruit for the share, like a pint or quart of strawberries, a pint of blueberries, 3 lbs peaches, melons, or a half peck of apples. Our partner farms and orchards use low-spray IPM practices, and RFF contributions are certified organic. \$190 for the season.

## FRESH ORGANIC PASTURE-RAISED EGGS

**Our flock of chickens is integrating into the fertility cycle of the farm and laying delicious, nutrient-rich eggs for us to share with you.** Each share gets a half-dozen each week. If you'd like a weekly dozen you can order two shares for the season. Rotated on fresh pasture and Certified Organic. Raised by manager Patrick Bensen.
